

News -- January 2017

Several members of our group attended the 2nd INFORM Workshop and had a great time with interesting lectures, fruitful discussions, active networking in Bergün's bars and also some sledging.

Also congratulations to Tobi who was in the winner team of the group work competition!

From left to right: Julian, Markus, Tobias, Stefan, Fabian, Denis.

The workshop was held between 9-13th of January 2017 in Bergün (Switzerland) in the framework of the Innovative training network (ITN) INFORM, which is a Research and training project funded by the EU Framework Program for Research and Innovation Horizon 2020 as a Marie Skłodowska-Curie Action.
